COMPANY PROFILE

Samarpan Industries is an ISO 9001:2015 Certified Organization. With backup of 30 years of rich experience in Manufacturing and Supply to various MNCs as OEM Suppliers, we thrive for Excellent Quality at Competitive Cost. We are engaged into Manufacturing & Supply of Stainless Steel (SS) Kitchen Baskets, Home & Office Furniture Hardware Products, etc.

Our manufacturing facility is established in MIDC Industrial Area, Nagpur on a 10,000 sq. ft. of land with the latest state of the art technology. We have an in-house best in class Nickel - Chrome Plating facility for providing better quality products with long lasting shine.

Our R&D team is dedicated towards the design and development of our SS kitchen baskets and various ranges of home & office furniture hardware products. We have manufacturing capability of wide ranges of SS kitchen baskets with RM grade of SS-202 & SS-304 and various sizes as per the requirements.

Our Vision, is to become a leading organization in the field of developing Stainless Steel Kitchen Baskets & Furniture Hardware Products by providing customized & cost effective solutions to meet the demanding challenges of market

Our Mission, is to provide Excellent yet Distinguish Quality, Ensuring On-Time Delivery & Encouraging Innovation & Creativity in our products.

ALL NEW BEGINNING

The fresh morning and the fresh start for the new day begins in Kitchen. The Kitchen from where the Energy for the whole day will be generated. Hence, we at Samarpan Industries completely restructured the need and supply of a Kitchen.

Think about the right utensil at right place and within the reach of Your Left Hand. Hence, the fresh start is even more important. Let's Salute the spirit of complete dedication and zero demand attitude of all Home Maker Ladies. We have tried Our level best to pay them back by our efforts in our own little way. We tried to redefine the Kitchen Baskets to give the best comfort and ease of operations.

The idea is to applaud the efforts and importance of a Home Maker in everyone's life. We agree we have to do lots of hard work (mentally / physically) at our workplace and are paid for that only. But the Home Maker does it without any expectations.... Salute to the spirit and efforts put in.
